COVID-19 Restrictions

CO UN- TRY	BORDER CONTROL						ADDITIONAL INFOR- MATION	LIFTING NATIONAL RESTRICTIONS	SPECIFIC ARRANGE- MENTS FOR TRANSIT OF DEPLOYED OFFICERS
	EXTERNAL BORDERS			INTERNAL BORDERS					
	LAND	SEA	AIR	LAND	SEA	AIR			
AT	N/A	N/A	Restricted	Restricted CH, DE, HU, IT, LI, SI, SK and CZ. Train connec- tions with IT, CH, HU, SK and LI can- celled.	N/A	Restricted	Masks required in groceries, drugstores and small shops. Only individual vil- lages within the states of Tyrol and Salzburger-land are still quarantined.	Gradual introduc- tion of exit- measures; opening small shops (till 400m2) as of 14 April. (Confirmed)	
BE	N/A	Restricted	Restricted	All non-essen- tial travels prohibited. Travel allowed for cross-bor- der workers working in medical sector and sectors considered es- sential. For these people, agreement be- tween BEL and NLD: sticker to be placed on the vehicle to facilitate border cross- ings. Internal bor- ders checks performed by Police esp. at the borders with NLD.	Restricted	Restricted	General measures: allowed to come out for the following: Going to work; Mak- ing a trip in the con- text of your work; Going to an author- ized store, to the ATM or the post of- fice, to the doctor; Providing assistance to vulnerable people Measures restricting the movement within its territory as much as possible (until 19/04). Returning to Belgium is subject to two conditions: the per- son must remain in self-isolation at home for 14 days; and the person is prohibited from working outdoors for 14 days.	Confinement measures ex- tended until 03/05. Belgian PM announced it in a press conference on 15/04. A few rules are amended (e.g. garden cen- tres and DIY shops can reopen as of now) but main ones (self-distanc- ing, no movement unless essentials, closed schools) are still in force.	
BG	Restricted Temporary entry ban for all non-EU countries; and nationals of CH, DE, ES, FR, NL, IT, AT, BE, IS, LI, LU until further notice (exceptions include: persons with BG-issued permanent or long term residence permit , healthcare professionals, diplomats, officials of international organizations, military personnel and humanitarian workers in the performance of their duties)						Masks required when in public space (any place outside the home) until April 26. Questionnaires for passengers arriving from high-risk areas. Targeted screening by health authorities based on the screen- ing of the body tem- perature. Shopping rules remain the same - people keep a distance and sanitize their hands on their way in as is the case with chain stores	Healthcare - planned child care health consultan- cies, principal mandatory immun- izations, maternity consultancies and non-urgent admis- sion to medical es- tablishments are being resumed as of 21 April. Elec- tive medical treat- ment and surgery will also be re- sumed on a step- by-step basis, with priority initially given to the most urgent cases. Markets - open-air markets in So- fia reopened on 21 April.	
CH	N/A	N/A	Restricted	Restricted AT, DE, FR, IT	N/A	Restricted Controls im- posed on travel from Spain. Air traffic from IT, FR, DE, AT.	People are requested to stay home and only leave for essen- tial purposes. There might be measures issued by the individ- ual Cantons. Transport of goods and travelling to CH on transfer will be permitted, requiring certain documents.	The Federal Coun- cil is planning to release measures as of 27 April.	
CY	N/A	Closed	There is a near complete ban on flights to and from Cyprus from 21 March until 17 April.	N/A	Restricted	There is a near complete ban on flights to and from Cyprus from 21 March until 17 April.		Currently in place until 26 April. It then intends to gradually ease the measures.

CZ		N/A	All interna- tional flights are to be op- erated to / from Prague international airport. The only civilian flights that are main- tained are those con- necting Pra- gue with Minsk and Chisinau.	Until 4 April, at the borders with AT and DE. Cross-bor- der workers submitted to health checks, the tempera- ture is meas- ured at the borders. For- eign cross-bor- der workers do not have a mandatory quarantine.	N/A	Mandatory quarantine (self-isolation) when arriving from a high- risk area. All international flights are to be operated to / from Pra- gue interna- tional airport.	Entry limited to na- tionals and legal res- idents, exceptions apply (e.g. cross- border workers, transit). Citizens are allowed to leave if they are residents in the destination country. Foreigners are allowed to leave, but will not be al- lowed to return dur- ing the duration of the state of emer- gency.	Some non-essen- tial shops re- opened from 9 April.	
DE	N/A	German citi- zens are al- lowed to re- turn to Ger- many and have to follow the rules of the State of destination when it comes quaran- tine. Crossing borders is in- dependent of the nationality possible for emerging rea- sons.	German citi- zens are al- lowed to re- turn to Ger- many and have to follow the rules of the State of destination when it comes quaran- tine. Crossing borders is in- dependent of the nationality possible for emerging rea- sons.	Restricted AT, CH, FR and DK until 04 May Traveling from/to bor- ders with AT, CH, DK, LU and FR is only possible via indicated crossing points. Moreover, DE informed the COM and EU MS/SAC that from 12 May the re-intro- duction of BC at the borders with AU will be active for another 6 months.	Restricted re- garding the Sea border with DK	Restricted air travel from AT, CH, FR and DK as well as from Spain and Italy	A list of reasons that would allow travel- ers to enter DE avail- able here: www.bmi.bund.de. As of 10 April return- ing persons from abroad will have to go to 14 days quar- antine. Via the Website of the Federal Police the App “Telegram” can be downloaded and be used for con- tact with the Federal Police for tailored information on re- quest.	From Monday 20 April shops till 800m2 can care- fully open again, however the main rules, like distanc- ing and protection measures remain valid. Also Car dealers, bike shops and bookstores are independently of the surface al- lowed to open again. Schools are supposed to gradu- ally start as of 04 May, up to the de- cision of the indi- vidual States (16).	
DK	NA	The Government has implemented border control at all of Denmark’s borders until 10.5.2020. Persons wishing to enter Denmark must expect to be rejected at the Danish borders, including in Danish airports, unless they have a worthy purpose for entering, e.g. if the person is Danish, lives or works in Denmark, or has been commis- sioned to provide goods or services in Denmark.					Health authorities have been given powers to force test- ing, treatment and quarantine with the backing of the po- lice. Anyone enter- ing DK is strongly recommended to self-isolate for a pe- riod of 14 days. DK nationals are recom- mended to return to DK and not to travel abroad.	A gradual relaxa- tion of the lock- down has started. Public gatherings of up to 500 people will be allowed from 10/5 until 1/9/2020.	
EE	Transit is permitted for foreign nationals on their way to their home countries, if they are not having symp- toms of the COVID-19 virus. No restrictions on exit.						Entry limited to na- tionals and legal res- idents with some ex- ceptions. 14 days quarantine upon en- try. Certain excep- tions apply.		
EL	Closed	Closed	Restricted	Restricted	Restricted	Restricted			
ES	Restrictions to non-essential travel	Restrictions to non-essential travel	Restricted to non-essential travel. 30 days temporary re- striction of non-essential travel from non- Schengen/SAC countries as of 23/03.	Restricted Reintroduction of land border controls with PT and FR (16/03 - 11/04.) Extension of border con- trols with PT and FR until 25/04	Restricted Restrictions between Bale- aric Islands. Reintroduction of land border controls with PT and FR (16/03 - 11/04.) Extension of border con- trols with PT and FR until 25/04	Restricted		Further lifting of national re- strictions foreseen for the next period of state of emer- gency. Children up to 12 to be al- lowed out of con- finement as of 27/04

FI	Closed borders allowing only people with justified reasons to enter.	Closed borders allowing only people with justified reasons to enter.	Closed borders allowing only people with justified reasons to enter.	Closed borders allowing only people with justified reasons to enter. Until 13 May the traffic at the land borders with SWE and NOR is more restricted. Commuters will only exceptionally be allowed to cross the border.	Closed borders allowing only people with justified reasons to enter. From 11.4. until 13.5.2020 there will be no passenger traffic on ferries between Finland, Sweden and Estonia.	Closed borders allowing only people with justified reasons to enter.	Finnish nationals are recommended to return to Finland and are recommended not to travel abroad. 14 days of self-governed quarantine upon return.	The decision to isolate Uusimaa-region from the rest of the country has been repealed	
FR	The refusal of entry is pronounced for all TCN except in the following cases: a) holders of a French or European long stay permit or visa if they join their main residence, b) UK, AD, MC, VA, and SM nationals, spouses and children, c) persons ensuring the international transport of goods (including seafarers), d) health professionals contributing to the fight against the pandemic. The EU nationals (EU) and members of their families, whatever their nationality, are admitted to the territory. A certificate of international travel is necessary as of 06/04. The overseas territories are subject to the same provisions.			Refusals to enter at authorized crossing points are pronounced for TCN and EU/SAC nationals, with the exception of the following cases: a) TCN holders of a residence permit or long-stay visa returning to their main residence in France or transiting through France with members of their families, regardless of their nationality, b) EU and TCN ensuring the international transport of goods, c) EU or TCN health professionals contributing to the fight against the pandemic, d) cross-border workers presenting proof of their employer. A certificate of international travel is necessary as of 06/04. On land borders, systematic and permanent control over major authorized crossing points (ACP). Dynamic checks are carried out on smaller ACPs, secondary ACPs are closed. Controls must be coordinated with neighbouring states. Railway ACPs are not forgotten. At sea/air borders, flows are directed towards the control booths.			A law provides for the state of health emergency for two months as of 24/03 providing a framework for containment and other restrictive measures. Its extension beyond 24/05 may be authorised only by a new law. The two months may be brought to an end by a decree of the Council of Ministers.	Crèches, schools and high schools will open on 12/05. Lifting of public gathering could be considered in mid-July. Action plans are being elaborated to progressively lift restrictions.	
HR	At all land border crossings with Croatia inbound traffic is allowed only to Croatian citizens (14-day isolation mandatory), and exceptional categories. At the BCPs with Serbia and Montenegro traffic is closed for all vehicles, except for the citizens of these countries. HR and BIH agreed to temporarily close 20 of their BCPs from 2 April.	Restricted	Restricted	At all land border crossings inbound traffic is allowed only to HR citizens (14-day isolation mandatory), and exceptional categories. Specific land BCPs with SI have been closed. At the border crossings with Hungary traffic is closed for all vehicles, except for the citizens of these countries	Restricted	Restricted	Decision to ban leaving the place of residence as of 23 March. Exceptions apply to certain areas such as providing health and veterinary care, delivery of medicines and medical supplies, maintenance of communal services, emergency medical care, security services, for vital family reasons, and commuting, if work is necessary and cannot be done from home.		
HU	Ban for foreign passengers to enter HU as of 16/03. Entry limited to nationals and legal residents with some exceptions.	N/A	Ban for foreign passengers to enter HU as of 16/03.
